

The University of Texas at San Antonio

Job Description

Job Title: Senior Testing Specialist
Code: 13107
Salary Grade: 57
FLSA Status: Exempt
Department/Division: Testing Services/Student Affairs
Reports To: Director of Testing

Summary

- Function: To provide professional skills and abilities required in the administration and coordination of student testing programs.
- Scope: Responsible for leading and assisting in the overall administration of testing programs and consulting with students and parents concerning the testing programs.

Duties

- Typical:
 1. Supervises and administers tests for non-students, current students and future students.
 2. Leads teams in the administration of national and institutional exams; assists in the development and implementation of processes and procedures for testing programs.
 3. Coordinates material needs to ensure fair, equal and secure testing environments. Directs test administration personnel.
 4. Consults with prospective students and parents. Disseminates information concerning the various tests.
 5. Maintains test registration files and records of test scores.
 6. Maintains and enforces standards and policies for the confidentiality of test scores and materials.
 7. Analyzes data from test programs; checks accuracy, confirms results and validates reports.
 8. Reviews data analysis processes and procedures, identifies and coordinates process improvements.
 9. Perform other duties as assigned.
- Periodic:
 1. Conducts research studies evaluating the effectiveness of testing programs for academic placement, credit and other purposes; works with Testing Director to problem solve and address issues.
